Sir:

**TERMINAL DISCLAIMER**

Your petitioner, Guardian Industries Corp., a corporation having an office and place of business/residing at 2300 Harmon Road, Auburn Hills, Michigan 49326-1714 represents that it is the assignee as recorded in an assignment at Reel 015579/Frame 0096, of all right, title and interest in and to Application Serial No. 10/797,561, filed March 11, 2004, for COATED ARTICLE WITH LOW-E COATING INCLUDING TIN OXIDE INTERLAYER.

Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of any patent issuing from Application Serial Nos. 10/645,838 and 10/914,646 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and

during such period that the legal title to such patent granted on the above-identified application shall be the same as the legal title to any patent issuing from Application Serial Nos. 10/645,838 and 10/914,636, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of any patent issuing from Application Serial Nos. 10/645,838 and 10/914,636 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents accompanying this document or referred to above have been reviewed by the undersigned and it is certified that to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.

Check either box 1 or 2 below, as appropriate.

1.  For submissions on behalf of an organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the organization.
2.  The undersigned is an attorney or agent of record.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

By:

  
Joseph A. Rhoa, Reg. No. 37,515  
Attorney for Assignee/Applicant
